LICENSE/CERTIFICATION

Psychology License, PSY004426, State of Georgia
Psychology License, 0810007551, State of Virginia
Credentialed, National Register Health Service Psychologist

MILITARY AFFILIATION

Captain, Behavioral Health Officer, Georgia Army National Guard

PROFESSIONAL EXPERIENCES

ACADEMIA

2020–Present **Adjunct Assistant Professor, Emory University School of Medicine, Department of Psychiatry and Behavioral Sciences**
Atlanta, GA

Duties: Lecture and/or facilitate group discussion for medical students and/or medical residents. Serve as a job mentor for at least one postdoctoral resident by educating this individual about various forensic assessments as well as how other systems (i.e., Vocational Rehabilitation Agency, Department of Family and Children Services, etc.) interface with the justice system. Serve as a member of the Diversity and Inclusion Subcommittee, in addition to the hours required to complete various projects (i.e., development of curriculum, construction of peer-reviewed journal articles, etc.).

ADULT-Forensic/Correctional

2020–Present **Forensic Psychologist, Proverbs Psychology & Consulting, LLC (Individual Private Practice)**
Atlanta, GA

Duties: Perform Competency to Stand Trial Evaluations, Criminal Responsibility (Insanity) Evaluations, Violence Risk Assessments, and Mitigation Evaluations ordered by the *Superior* and *Federal Courts*. Author forensic reports. Provide expert testimony. Provide consultation services for mental health professionals (i.e., psychiatrists, psychologists, licensed social workers, etc.) and attorneys. Perform disability, workers' compensation, and other specialized evaluations (e.g., medical malpractice, capital punishment evaluations, psychosexual evaluations, parental fitness evaluations, pre-employment evaluations for public safety personnel, fitness for duty evaluations, etc.) for various referral sources.

2023-2024 **Program Developer/Forensic Psychologist, GA R.I.S.E., Cobb County Adult Detention Center**
Marietta, GA

Duties: Developed forensic-clinical programming for a 20-bed unit. Directed, coordinated, and evaluated the overall effectiveness of forensic-clinical activities and treatments in collaboration with the behavioral/mental health multidisciplinary team. Supervised team members in the development/review of individualized care plans, designed to restore pretrial defendants' competency to stand trial. Conducted evaluations for psycholegal purposes, to include assessment of risk, diagnoses, barriers to competency, and other treatment needs. Administered, interpreted, and reported on psychological test data. Provided clinical oversight for all jail-based competency restoration services.

2021-2023 **Correctional Psychologist, Georgia Diagnostic and Classification Prison/Special Management Unit**
Jackson, GA

Duties: Directed, coordinated, and evaluated psychological-related activities and treatments in collaboration with the behavioral/mental health multidisciplinary team. Collaborated with team members in the development/review of individualized behavioral/mental health treatment plans and in the monitoring and treatment of patients as indicated on treatment plans. Completed evaluations for clinical purposes, to include assessment of risk, diagnoses, and treatment needs. Administered, interpreted, and reported on psychological test data. Utilized evidence-based treatment methods to include psychoeducational groups, psychotherapy, and behavior management in treating patients. Provided clinical oversight for behavioral/mental health staff at the Special Management Unit.

2020-2021 **Forensic Psychologist, Georgia Department of Behavioral Health and Developmental Disabilities**
Atlanta, GA

Duties: Performed Competency to Stand Trial Evaluations, Criminal Responsibility Evaluations, and Violence Risk Assessments ordered by the *Superior Court* for pre-trial defendants housed in jails or placed on bond in communities located in the Northern Region of Georgia (29 counties). Authored forensic reports. Provided expert testimony.

2019-2020 **Postdoctoral Resident, Emory University School of Medicine in Health Service Psychology, Department of Psychiatry and Behavioral Sciences, Psychiatry and Law Service**

Atlanta, GA

Duties: Performed Competency to Stand Trial Evaluations and/or Criminal Responsibility Evaluations ordered by Fulton County courts for pre-trial defendants housed at the jail or placed on bond in the community. Facilitate three to four groups per week for the Jail-based Competency Restoration Program. Manage a caseload of three to four Fulton County Jail inmates. Conduct psychological testing and produce written reports. Facilitate mobile legal education sessions. Participate in didactic seminars. Provide supervision to pre-doctoral interns and practicum students.

Supervisor(s): Nadine Kaslow, PhD, ABPP, Glenn Egan, PhD, Tomina J. Schwenke, PhD, ABPP

2016-2017 **David L. Prewett, Psy.D. (Private Psychological Practice)**
College Park, GA

Duties: Administered, scored, and interpreted neuropsychological, intelligence, and personality measures to licensed professionals (e.g., pilots, surgeons, nurses, dentists, attorneys) with various addictions and/or co-occurring disorders.

2016-2017 **Phillips State Prison**
Buford, GA

Duties: Provided cognitive behavioral therapy to inmates with severe and persistent mental illnesses and/or co-occurring disorders. Completed psychiatric rounds with an interdisciplinary team for inmates confined in the crisis stabilization and acute care units. Facilitated dialectical behavioral therapy group for incarcerated combat veterans diagnosed with posttraumatic stress disorder. Developed and presented case conceptualizations for clinical supervisor(s) and colleagues. Weekly individual supervision with a licensed clinical psychologist. Monthly case consultations with colleagues.

ADULT-Clinical

2011-2012 **Adult Psychiatry/Co-Occurring Disorders (Inpatient): Virginia Baptist Hospital**
Lynchburg, VA

Duties: Counseled individuals diagnosed with various psychiatric disorders, chemical dependence, or co-morbidities. Conducted cognitive therapy and psychotherapy groups. Completed intake and biopsychosocial assessments with patients and their families. Conducted family sessions. Developed and presented case conceptualizations for clinical supervisor(s) and colleagues. Weekly group supervision with a licensed clinical psychologist and mental health staff. Weekly individual supervision.

Pathways Substance Abuse Treatment Center (Inpatient): Virginia Baptist Hospital
Lynchburg, VA

Duties: Counseled individuals suffering from substance abuse disorder(s) or co-morbidities. Conducted psycho-educational and psychotherapy groups. Completed intake and biopsychosocial assessments with patients and their families. Developed and presented case conceptualizations for clinical supervisor(s) and colleagues. Weekly group supervision with a licensed clinical psychologist and mental health staff. Weekly

individual supervision.

2011 **Geriatric Psychiatry (Inpatient): Virginia Baptist Hospital**
Lynchburg, VA

Duties: Facilitated psycho-educational and *reminiscent* groups with geriatric patients diagnosed with dementia, in addition to a range of psychiatric diagnoses including mood, anxiety, and personality disorders. Training was provided from a cognitive-behavioral and solutions-focused theoretical orientation. Developed and presented case conceptualizations for clinical supervisor(s) and colleagues. Weekly group supervision with a licensed clinical psychologist and mental health staff. Weekly individual supervision.

CHILD & ADOLESCENT-Forensic

2021 **Forensic Psychologist, Georgia Department of Behavioral Health and Developmental Disabilities**
Atlanta, GA

Duties: Performed Competency to Stand Trial Evaluations, Behavioral Health (Psychological) Evaluations, and Transfer Evaluations ordered by the *Juvenile Court* for juvenile offenders located in the Northern Region of Georgia (29 counties). Authored forensic reports. Provided expert testimony.

2018-2019 **Superior Court of the District of Columbia**
Washington, DC

Duties: Performed Competency to Stand Trial, Psychoeducational, Psychosexual, and Neuropsychological Evaluations, as well as Violence Risk Assessments. Facilitated skills-based/process groups with adolescents court-ordered to participate in treatment. Facilitated process groups with college-age students at Howard University in Washington, DC. Provided court-ordered individual therapy to three or more adolescents each week. Facilitated Competency Restoration and Juvenile Sex Offenders' groups. Provided assessment supervision to externs (i.e., doctoral-level practicum students)

Supervisor: Jennifer Christman, PsyD, ABPP (Board Certified in Forensic Psychology)

2017-2018 **Georgia Department of Behavioral Health and Developmental Disabilities**
Atlanta, GA

Duties: Observed face-to-face mental health evaluations to determine competency-to-stand trial and criminal responsibility. Reviewed cases and discussed current literature regarding competency measures, feigned mental illness and/or intellectual disability, report preparation, and expert testimony.

2013-2014 **Emergency Services: Horizon Behavioral Health Community Services Board**
Lynchburg, VA

Duties: Determined diagnosis (es) for clients while evaluating for the least restrictive treatment, i.e., crisis intervention services or inpatient psychiatric treatment. Served as an independent examiner for emergency custody orders and temporary detention order

proceedings involving collaboration with local police/sheriff department(s), magistrates, physicians, and families. Provided crisis counseling services (included developing crisis intervention treatment plans) for clients and their families. Provided outpatient therapy involving weekly individual sessions with clients (and families) using cognitive behavioral therapy, dialectical behavioral therapy, and trauma-focused therapy. Provided case management services including but not limited to linking clients and their families to community resources, making collateral contacts with other service providers, creating mental health case management treatment plans, and monitoring/documenting clients' progress. Supervision provided by a licensed clinical psychologist and licensed professional counselor.

CHILD & ADOLESCENT-Clinical

2012-2013 **Child & Adolescent Psychiatry (Inpatient): Virginia Baptist Hospital**
Lynchburg, VA

Duties: Counseled individuals diagnosed with various psychiatric disorders, chemical dependence, or co-morbidities. Conducted psycho-educational, psychotherapy, and dialectical behavioral therapy groups. Completed intake and biopsychosocial assessments with patients and their families. Conducted family sessions and parent training. Developed and presented case conceptualizations for clinical supervisor(s) and colleagues. Precepted and supervised 10+ undergraduate interns regarding diagnostic assessment, risk management, ethical boundaries, etc. Weekly group supervision with a clinical psychologist and mental health staff. Weekly individual supervision with a clinical psychologist.

2011-2013 **Child & Adolescent Psychiatry (Inpatient): Virginia Baptist Hospital**
Lynchburg, VA

Duties: Counseled (individually) children and adolescents diagnosed with various psychiatric disorders. Provided reality-based orienting to patients suffering from psychosis or substance abuse. Implemented de-escalation and restraint procedures for aggressive and/or violent patients. Completed intake and admission processes with patients and their families. Monthly group supervision.

CHILD, ADOLESCENT & ADULT- Clinical/Forensic

2015-2019 **Psychometrist (Independent Contractor)**
Atlanta, GA

Duties: Conducted clinical interviews. Administered, scored, and interpreted neuropsychological, intelligence, personality, psychoeducational, psychosexual, substance abuse, domestic violence, and parental fitness measures for clients referred by various entities (e.g. Georgia Vocational Rehabilitation Agency, Social Security Disability Office, Private Practice, Division of Family and Children Services), or self-referred due to suspected neurological diseases, diagnostic clarification, learning disabilities, or pending legal issues. Administered, scored, and interpreted psychological testing and psychosexual measures for adjudicated persons involved with Fulton County Courts, Regional Youth Detention Centers (i.e., Department of Juvenile Justice, Atlanta Youth Detention Center, Rome Youth Detention Center, Metro Regional Youth Detention Center), and Metro State Transitional Center. Completed psychological reports. Provided individual therapy grounded in cognitive behavioral theory to children

and adolescents. Facilitated weekly psychoeducational groups for individuals ages 13 years and older.

2015-2016 **Psychological Forensic Associates**
Atlanta, GA

Duties: Conducted clinical interviews. Administered, scored, and interpreted intelligence, personality, academic and psychosexual assessments for clients pre-adjudicated and/or adjudicated for sexually criminal offenses as well as for clients seeking diagnostic clarification for suspected mental illness. Completed psychological and/or psychosexual reports. Conducted individual and group therapy sessions for Sex Offender Treatment Program. Weekly individual supervision with a licensed clinical psychologist.
